

RACING ASSISTANCE

NAUTOR'S[®]
SWAN
GLOBAL SERVICE

About Us

Performance is part of the DNA of Nautor's Swan and the Club Swan One Design classes the perfect sample of racing boats.

Nautor's Swan Global Service is providing a dedicated team and Project Manager for the One Design classes to help each team to be on top of the table.

From a smooth and poolish bottom, a keel fairing to a mast alignment and tuning, through the deck hardware optimization, the racing passionate team is able to provide the best service on his yard facilities or during the events. Yard facilities allow special needs of the teams of space, sails lockers, containers storage... as well as assistance in shipping and logistics, customs...

We have extensive knowledge on the Swan yachts to provide to the teams and owners perfect optimized yacht for a rating or for the One Design class with stronger, simple and lighter solutions in a reliable environment.
